

Network Shipping Gazette

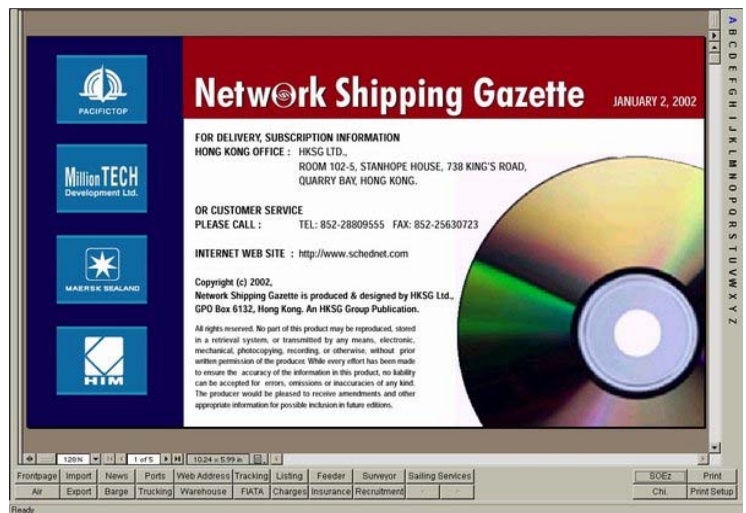

A Highlight of basic features:

- Search sailing information from Hong Kong, Macau, and Mainland China loading ports.
- Customize sailing schedules of all major carriers.
- Prepare 'shipping order' and 'air instruction' on the fly.
- Send 'shipping order' and 'air instruction' to hundreds of forwarders and carriers at the click of your mouse.
- Apply Certificate of Origin (Re-export or without transit) from HK General Chamber of Commerce without even leaving your office.
- Comprehensive directories of major forwarders, air-freight agents, trucking companies, warehouses, insurance companies, surveyors, barge & mid-stream companies, and couriers right at your desktop.
- Useful logistics information including accessorial charges, HAFFA member list, web directory, news, and online cargo tracking.

Network Shipping Gazette (NWSG)

We all understand that the shipping and transportation industry is heavily demanding on data exchange. Handling duplicate data input in different types of documents is quite a headache for the shippers.

As the recent dramatic changes of the business environment, we are shifting our focus to e-commerce, e-communication, e-fulfillment, Just-In-Time, accuracy, efficiency and effective . . . all these are the challenges to the logistics industry.

NWSG SOEz – an *integrated logistics program* is to provide you with the best solution to get success in this e-business environment and to differentiate yourself from the competition.

Not another Shipping Gazette

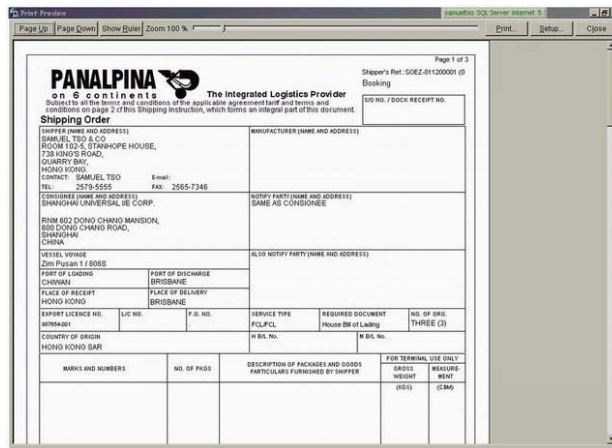

Although NWSG SOEz contains all the information of the printed version of Hong Kong and China editions, it is actually an *integrated logistics program*.

Searching logistics information is just one of our promising service to you. You may now handle your cargo shipment, trace your cargo status, notify your consignee . . . right at your finger tip.
